

GENERAL MECHANICS AND GUIDELINES

The 10th IT Day Academic Competition is designed to hone the knowledge and skills of students who are currently enrolled in the BSIT program offered in MINSU. This also serves as venue for the Department to tap IT students who have the potentials in the field of Information Technology. More importantly, the Competition geared towards the thrust of Higher Education to produce globally competitive IT graduates in the Philippines. We are with high hope that this will bring the student's camaraderie and unity towards a better IT family.

OBJECTIVES

1. Showcase the academic quality of students in each section.
2. Recognize students' knowledge, skills and creativity in the IT discipline such as theories and concepts, computer programming, multimedia skills, web development and computer hardware servicing.
3. Inspire IT students to achieve excellence with global standards.
4. Promote student's awareness on the value of education.
5. Cultivate an atmosphere of academic competitiveness among IT schools.

GENERAL GUIDELINES

1. It is expected that all families have representatives in each competition.
2. Participants for each competition should follow and obey the rules and mechanics specific to that competition.
3. Each activity's participants will receive respective points that will be credited to their families.
4. The points system is as follows:
 - a. Top 1: 5 points
 - b. Top 2: 4 points
 - c. Top 3: 3 points
 - d. Participants: 1 point
5. At the end, the family with the highest points will be declared as the BEST FAMILY.

GUIDELINES FOR COMPETITION

1. Participants must register before their scheduled participation in the event to finalize the list of participants for each competition.
2. Contestants are expected to be at the venue on time for their respective competitions, according to the schedules provided.
3. Day 1 Competition will be conducted simultaneously.
